WE SUPPORT

The UNGC is the world's largest sustainability initiative, bringing together the United Nations and the private sector (companies and organizations) to build a healthy global society. It is a voluntary initiative for each company and organization to act as a good member of society and achieve sustainable growth by exercising responsible and creative leadership.

We, Group of Sumitomo Bakelite Co., Ltd. conduct our business activities for our Purpose, "Toward a sustainable society through expanding the potential of plastics," based on our Business Philosophy, "Our company places prime importance on trust and sureness, and shall commit itself to contributing to the progress of society and enhancement of people's welfare and livelihood through its business activities." We will continue to support and practice the UNGC's "10 principles in 4 areas (human rights, labor, environment, and anti-corruption)" to contribute to the realization of an even more sustainable society.
